Key Findings

1

SPAIN HUB

Spain dominates with 7 of 12 fund managers — strongest entry point.

2

SOLAR COVERAGE

Broadest coverage of any project type, multiple funding options.

3

DESALINATION GAP

No fund targets it directly. Best route: SDG 6/14 via Impact Bridge.

4

HYDROGEN STRATEGY

Multi-fund: Suma Capital + Impact Bridge + Axon Partners.

5

NORDIC SCALE

NIAM at EUR 51.8M — largest commitment, infrastructure scale.

6

SDG READINESS

Impact funds require measurable metrics. Prepare data first.
